Band lend stand  
Sang lungs string  
Review words:  
To too two  
Star words:  
Found thank  
Sight words :  
Because mother father  
Sister brother

### What are we studying?

**Reading:** We are reading 20,000 Leagues Under the Sea. We do comprehension activities that go along with our reading.

**Spelling, Grammar, Writing:** Spelling words are listed in the boxes on this page. After a pretest on Mondays, we have spelling packets to complete during the week, and a final spelling test on Fridays.

**Grammar skills** are worked on in lessons, and also in the writing that we do. **Writing** projects include writing an acrostic poem using our names in which we depict character traits that we believe we have. These will be displayed in our gym, along with our silhouettes.

**Math:** We are studying percentages and equivalent fractions, and finding percentages of numbers.

**Social Studies:** We are studying the Midwest states of our country... Their states and capitals, as well as their natural resources, their topography, and their culture.

**Science:** We are studying Matter and energy, motion and electricity.

**Religion:** We are reading Bible stories that pertain to Jesus' life and teachings. We are celebrating the season of Lent, and are making a lap book about the life of Jesus. We continue to learn Bible verses, and journal about how God's word can guide us in our daily lives.

### demonyms

American Canadian Mexican

British Italian African Asian  
Cuban French Dutch

Australian Chinese Japanese

Hispanic German European Welsh

Columbian Bolivian Norwegian

Review words:

Galloping accidentally broccoli

Challenge Words:

Portuguese Peruvian

### Bible Verse of the Week

He says, "Be still and know that I am God; I will be exalted among the nations, I will be exalted in the earth."

Psalm 46:10
