What are we studying?

Reading: We continue reading, "The Lion, the Witch, and the Wardrobe" by C.S. Lewis. We do vocabulary and comprehension activities which pertain to our reading.

Spelling, Grammar, Writing: Spelling words are listed in the boxes on this page. After a pretest on Mondays, we have spelling packets to complete during the week, and a final spelling test on Fridays.

Grammar skills are worked on in lessons, and also in the writing that we do. **Writing** projects include journaling to our parents weekly. Our self-portraits and our auto-biographies are displayed in the gym.

Math: We are studying order of operations and the properties of Arithmetic. We are also reviewing our basic facts in addition, subtraction, multiplication, and division by doing Rocket Math daily.

Social Studies: We continue studying and will be testing our knowledge of the life of Christopher Columbus, and his accomplishments and failures.

Science: We continue studying the Human Body, and the different systems that help it to run smoothly, and will be testing on it.

Religion: We are reading Bible stories starting in Genesis, with the story of creation. We will learn Bible verses, and will journal about how God's word can guide us in our daily lives.
