Long e sound

Tree free keep deep  
eat read beak baby  
Lady only

Review words

Truck but until

Star words

treat because

Sight Words

Said their which  
Each words

**What are we studying?**

**Reading:** We are reading, "The Magician's Nephew", by C.S. Lewis. We do vocabulary and comprehension activities which pertain, as well as grammar activities that are associated with it.

**Spelling, Grammar, Writing:** Spelling words are listed in the boxes on this page. After a pretest on Mondays, we have spelling packets to complete during the week, and a final spelling test on Fridays.

**Grammar skills** are worked on in lessons, and also in the writing that we do. **Writing** projects include journaling to our parents weekly.

We write to them each Friday, and they write back to us each week, so that we have an ongoing written interaction all year long.

**Math:** We are studying numbers and their place value, whole numbers and decimals. We are also reviewing our basic facts in addition, subtraction, multiplication, and division by doing Rocket Math daily.

**Social Studies:** We are studying the life of Christopher Columbus, and learning about his accomplishments and failures and how his life impacted our own.

**Science:** We are studying the Human Body, and the different systems that help it to run smoothly.

**Religion:** We are reading Bible stories starting in Genesis, with the story of creation. We will learn Bible verses, and will journal about how God's word can guide us in our daily lives.

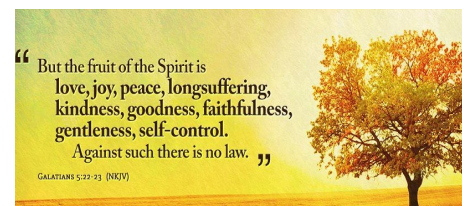

**Our first 4th Grade**

**Mass will be on**

**October 7th.**

**Grandparent Mass**

**October 23rd.**

**Bible Verse of the Week**

**"Set your minds on things above, not on Earthly things."**

**Colossians 3:2**
